

Cleaning. Flooring. Special Services.

Facility Services. Optimized.®

We are the experts that provide you and your stakeholders
a clean, cool, and safe environment.

Facility Services. Optimized.®

We know that maintaining the day-to-day appearance of your facilities should not keep you from focusing on your core business. Yet, keeping a clean, safe and comfortable environment has a direct impact on your employee's productivity and your client's first impression of your brand.

Studies show that a clean and healthy workplace improves efficiency, decreases sick days, and improves morale. Simply put, wellness increases productivity. It also reinforces your brand and instills confidence with visitors.

The Marsden Advantage

At Marsden, we take pride in our ability to deliver consistent quality by following a thorough world-class quality assurance process.

Because we ask the right questions up front, we can anticipate and create a plan to address virtually any need. Our local management team oversees our on-site performance and facilitates a culture of communication.

At the beginning of your contract period, your Marsden team will develop a detailed operations plan in exact accordance with your contract specifications. Our supervisors will use state-of-the-art web-based tools to track and monitor the quality and completion of duties in real time. We will perform regular inspections, and communicate with you to ensure that our work meets or exceeds expectations. Our Marsden Advantage Technology and Quality Assurance Program® captures eight key data points:

Time Keeping
Human Resources
Customer Surveys
Project Calendars

Work Orders
Inspections
Issue Resolution
Reporting

For our complete line of services visit www.marsdennorthwest.com.

Our approach is different than our competitors. We're one of 25 distinct Marsden companies throughout the US - maintaining our local identity and remaining heavily invested in the communities we serve.

We employ 10,500 people, covering 47 states, which everyday help American businesses, schools, and government entities keep 300,000,000 square feet clean, cool, calibrated, and secure.

While each company is deeply rooted in their hometown, together we are a coast-to-coast powerhouse, ready to handle any need, big or small. That's the Marsden Way.

For more information on the Marsden family of companies, including our security and HVAC divisions, visit www.marsden.com.
